Bressingham & District Ladies Club

Chairmans report from April 2022 to April 2023

Dear members of Bressingham & District Ladies Club,

This is a formal report on the current state of our organisation. As the Chair, I am pleased to report that despite being closed for two years, due to Covid, which has caused a decrease in membership, we are still in a healthy financial position, which means we can continue to keep the yearly subscriptions to £20.

As of the time of writing, we currently have around 20 members, and while this number is lower than we would like, we are still committed to providing high-quality speakers, and activities to our members.

This year we have seen a wide variety of speakers, who entertained & enlighten us.

I shall continue to use Facebook, and make better use of our community webpage, to spread the word about our club and future events.

We shall continue to open our club doors to non-members, who may want to try before they buy, and others who we believe will just enjoy a good night out.

Non-members will continue to Pay £3.00 on the door, which should help with costs, as good speakers don't come cheap. Some requiring expenses & Petrol money.

However, as we move forward, we recognise the need for additional committee members to assist with the organisation of future events.

Therefore, we would like to encourage any interested members to step forward & consider joining our committee. Your involvement and input will be highly valued, and believe that with a larger committee, we can continue to provide an excellent experience for all members.

In conclusion, I would like to extend my thanks to all members for their continued support, and grateful thanks to the amazing committee members still with us.

Yours Sharon Cole Chairman

Signature Date 17th April 2023.
